ECO-FRIENDLY COMFORT AND TRANQUIL NIGHTS

We prioritize our guests' comfort by using a state-of-the-art solar system in Samara II. During the day, we harness solar energy and store it in batteries for nighttime use, reducing our carbon footprint and supporting eco-friendly practices.

At night, we shut down machinery to eliminate noise, creating a peaceful environment for our guests. This ensures a serene and restful stay, reflecting our commitment to providing a tranquil and rejuvenating experience.
