SAMARA II

SAMARA II

Samara II is a traditional phinisiboat with a modern interpretation. The stylish interiors of the boat have been designed to draw in more natural light, bringing out a fresh, bright, and relaxing ambiance throughout the boat. One of the special features is the sundeck, which is perfect for sunbathing and relaxing out in the sun. The shaded foredeck offers a seating area as well as an outdoor gathering spot. Samara II can accommodate up to 8 guests, with 4 cabins and 2 shared bathrooms with a toilet and shower. It is perfect for a small family, a romantic cruise, and a honeymoon.

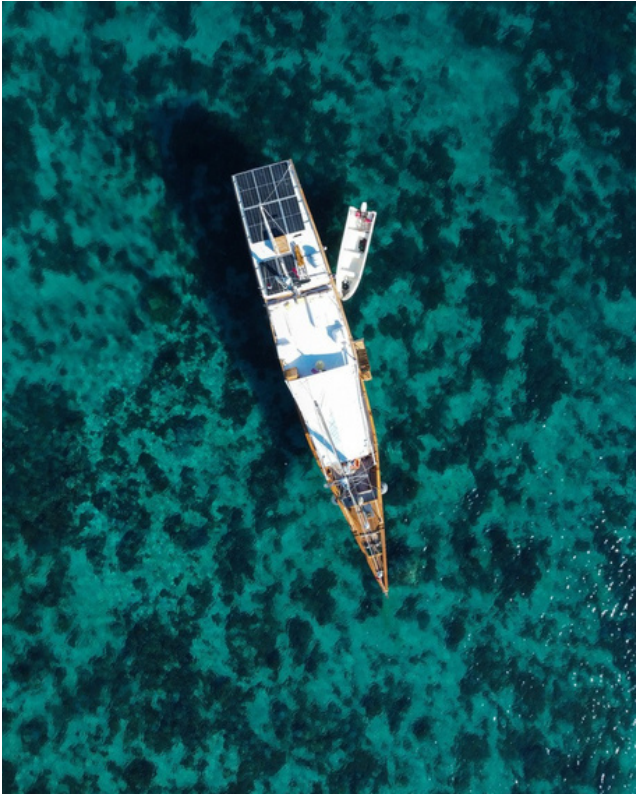

Boat Specifications :

- Overall Length: 23 m Width: 4.5 m

ECO-FRIENDLY COMFORT AND TRANQUIL NIGHTS

We prioritize our guests' comfort by using a state-of-the-art solar system in Samara II. During the day, we harness solar energy and store it in batteries for nighttime use, reducing our carbon footprint and supporting eco-friendly practices.

At night, we shut down machinery to eliminate noise, creating a peaceful environment for our guests. This ensures a serene and restful stay, reflecting our commitment to providing a tranquil and rejuvenating experience.
